

THE FRATELLI GROUP

## Firm Profile

---

**The Fratelli Group** is a Washington, D.C. public affairs firm with more than 20 years of experience managing the public policy and corporate communications needs of its clients. The Fratelli team consists of professionals with corporate, political and congressional experience who have backgrounds ranging from international trade and electoral politics to health care, agriculture and information technology.

Our communications services include:

- Strategic consulting
- Message development
- Crisis preparedness/management
- Media relations
- Event planning
- Internal communications
- Media training
- Litigation support
- Coalition management

At Fratelli, we pride ourselves on exceeding expectations through exceptional service. Whether it's a local, national or international issue, we succeed in framing the debate and shaping the outcome. Our longstanding client relationships and strong record of success are testaments to our abilities.

The Fratelli Group - trusted advice, experience and accomplishment.
